

# Declaration of authorship

All persons who meet authorship criteria are listed as authors, and all authors certify that they have participated sufficiently in the work to take responsibility for the content, including participation in the concept, design, analysis, writing, or revision of the report. Furthermore, the authors certify that the report is entirely own original work except where otherwise indicated. They are aware of EPFL regulations concerning plagiarism, including those regulations concerning disciplinary actions that may result from plagiarism.

**ME-454 – Modelling and Optimization of Energy Systems**  
**Group report – January 2022**
